2024 wedding experiences

Your Dream Wedding

When you book with me, you get the best value, best service, and total transparency about your investment in your wedding photography. As a professional who has photographed more than 120 weddings, I want you to walk away with beautiful moments you'll remember forever - and to have some fun in the process! Let's capture photos that allow you to enjoy your wedding day, be present with your people, and be able to look back on these memories with joy for the rest of your life. .

 Lauren

What to Expect

Your photographs are an important and special way to remember your big day. My goal is to give you photos that you will cherish for a lifetime while truly enjoying the process. I will capture images that reflect who you are as a couple, all while having fun together!

This is **your** wedding day! My goal is for you to be able to relax, enjoy it, delight in each other, and be yourselves while snapping some beautiful photos along the way.

Your Package

- me (lauren) as your primary shooter
- support with planning your day-of schedule
- all the best images delivered in an online, shareable wedding gallery in 2 months
- a preview gallery (within 1 week of your wedding)
- a wedding box with select prints and a thumb drive
- \$100 credit to order prints from your gallery
- second shooter
- taxes and fees

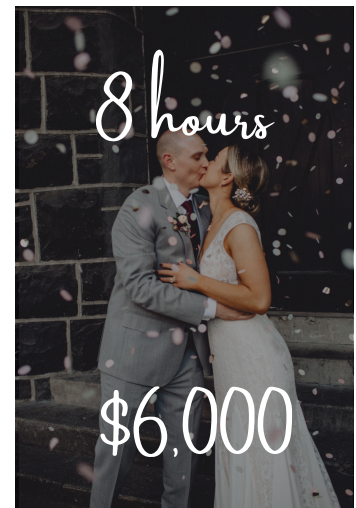

Investment

I believe you deserve all of the perks in your wedding package, and that shouldn't be limited by the amount of hours of coverage that you need on your wedding day. No two weddings are alike, and you should get the absolute best package for you! I believe in giving you the best value for your wedding photography, and high quality at any level of coverage. That's why I offer a steady rate of \$750 per hour of photography, available to pro-rate to the half hour.

Everything listed under "Your Package" is included! Here are some popular packages:

Additions & Travel

Couple Portrait Sessions

Longing for pictures in a beautiful location? You can have them through an adventure wedding session or an engagement session! Add either for \$500 (a 50% discount from the session value).

See some great examples of [engagement sessions](#) here!

Destinations & Travel

Getting married in some fun and faraway place? Adding travel to your wedding is easier than ever! The travel fee for places in the US outside a 200 mile radius of my homebase is a flat fee of \$500. For outside the US, it's a flat fee of \$1,000.

See some great examples of full [wedding galleries](#) here!

Prints & Albums

For wedding albums and prints, I'm happy to help guide you through the process and find the best option for you!. Prices may vary depending on the vendor you'd like to use. And don't forget - you get a \$100 credit to print directly from your gallery after the wedding - no additional charges!

Some Bonus Content For You!

Here are a couple of my most popular guides to help plan your day!

Sample Wedding Timeline

Great planning leads to a great event! Generally, the photographers will arrive while the bride's makeup and hair are being done and before she puts her dress on to capture a few details before beginning group portraits.

To get an idea of how much time to book, here is approximately how much time to allow for photography during common portions of your big day!

GETTING READY - 1 hour (includes details, putting on your dress, candid, etc.)

PRE-CEREMONY SHOTS - 30 Minutes

CEREMONY BLOCK - 30 Minutes - 1 hour (varies)

FAMILY PHOTOS - 30 Minutes

WEDDING PARTY PHOTOS - 30 Minutes

BRIDE & GROOM PORTRAITS - 30 Minutes

RECEPTION - 3 Hours (varies)

TOTAL SAMPLE TIMELINE: ~7 Hours

If your wedding event is earlier in the day, please consult Lauren for advice on the best lighting for Bride & Groom Portraits. It makes all the difference!
